

MiFi® 4620L

3G/4G LTE™ Global Intelligent Mobile Hotspot

Fast, always-on Internet wherever you roam—worldwide*

With the Verizon Jetpack™ 4G LTE Mobile Hotspot MiFi® 4620L by Novatel Wireless, access blazing fast 4G LTE and 3G mobile broadband worldwide and share your connection with up to ten Wi-Fi enabled devices simultaneously.

MiFi 4620L is the next generation in the Novatel Wireless MiFi intelligent mobile hotspot portfolio for Verizon Wireless, built on award-winning innovation and design, proven performance and industry leading user experience.

Put the world in the palm of your hand

With this 4G LTE MiFi intelligent mobile hotspot, enjoy fast Internet access whenever, wherever you go. MiFi 4620L is backward compatible with high speed DC HSPA+, HSPA+, WCDMA, EDGE and GPRS technologies to keep you connected. The compact MiFi 4620L is perfect for on-the-go connectivity and won't weigh you down.

Know where you are—monitor device and connection status at a glance

With the interactive OLED display screen, easily scroll to view battery life, check signal strength, check the number of connected devices, read text messages, view network details, access your password, and much more!

Share the experience—connect up to 10 devices securely†

Create your own personal Wi-Fi cloud and share high speed 4G and 3G Internet connectivity with up to ten devices—notebooks, tablets, e-readers, gaming consoles and more. The MiFi 4620L supports the latest security protocols required by some of the strictest corporate VPNs, including VPN Pass-through and NAT Firewall.

Smooth sailing—navigate using GPS over Wi-Fi‡

MiFi 4620L is the first product to support GPS over Wi-Fi, enabling applications to access streaming GPS (NMEA). Stream GPS location services while on the move to up to 10 devices at once, no cables required!

3G/4G LTE™ Global Intelligent Mobile Hotspot

Technology/Bands

- 700 MHz, LTE
- 800/1900 MHz: 1xEV-DO Rev. A/0
- 850/900/1900/2100 MHz: DC HSPA+/HSPA+/UMTS
- 850/900/1800/1900: EDGE/GPRS
- Wi-Fi 2.4 GHz

Dimensions and Weight

- 95 mm x 60 mm x 14 mm (3.74" x 2.36" x 0.53")
- 90 g (3.2 oz)

Form Factor

- Intelligent Mobile Hotspot

Environmental

- Operating temperature: -10°C to 45°C (14-113°F)

WLAN

- 802.11 b/g/n
- Pre-configurable security (WEP/WPA/WPA2)
- DHCP server
- DNS support
- VPN pass-through

Antenna

- Integrated diversity antenna
- Integrated Wi-Fi antenna

Systems Supported (tethered mode)

- Windows® XP(SP3), Vista (SP2), 7
- Mac OS® X 10.5 or higher
- Linux®

Battery Life

- Up to 5 hours (standard battery)
- Up to 8 hours (optional extended battery)

External Display/Indicators

- Interactive OLED display
- Multi-color status indicator

Security

- CDMA authentication and identification
- Dynamic MIP key update; CHAP
- SIM (Subscriber Identity Module)

Standards/Approvals/Certifications

- IS 2000 (CDMA 1xRTT)
- IS 707A (data)
- FCC
- CCF57
- GCF
