# Merlin U520™ Quick Start Guide

1. Insert the SIM card into the modem*
- SIM Card contact points must face upwards, and the orientation notch must be positioned as shown in the picture.

SIM CARD

ORIENTATION NOTCH

2. Install the MobiLink™ Software
- Insert the MobiLink Software CD into your computer. If the setup program does not launch automatically, open the .exe program on the CD.
- Select the appropriate links and follow the on-screen prompts. You will be asked to re-boot the computer and the MobiLink icon will be placed on the desktop.

3. Insert the Merlin U520 into your PC

4. Launch MobiLink
- Double-click the MobiLink icon to launch the application.

5. Using MobiLink

Launch Web Browser

Connected - UMTS Service

Online Help

Disconnect

Open SMS Message Manager

Phonebook

Connect to UMTS Network

*UMTS and SMS are subscription services and must be enabled on the SIM card.
